Minutes from Patients' Forum Group Meeting held on Tuesday 8th July 2014

Attendance: Dr B Modi, Mrs M Modi, Ms D Shiels

Apologies: Mrs Walker, Ms G Sachdev

1. A new patient questionnaire for CQC was discussed.
2. DS suggested that after blood tests are done, patients are given a slip informing them of what times to call the surgery for their results, and this will be arranged.
3. When blood test results are received, and the Dr has noted "low fat diet", the Receptionists will inform the patients to collect an information leaflet on "low fat diet". Copies will be made available at the surgery or this can be obtained from www.patient.co.uk/health/low-fat-diet-sheet.
4. Patient consent forms have been updated.

Date of next meeting: Tuesday 9th September 2014 at 7pm
