3. Update from JW– JW attended monthly Leicester City PPG. JW explained that there are been some issues at the central forum. Two members have resigned from the forum and new elections are to be happening in the foreseeable future.
4. With regard to the floor lining, BM has asked for a carpet fitter to get back to him but no response. JW informed the group that the gentleman is probably on holiday and to wait another few weeks before response is received.
5. BM informed the group regarding the Out Of Hours hubs. There are going to be four hubs continuing until the end of September and following this there are going to be three hubs. The three selected Health Centres will be (i) Merlin Vaz, (ii) Fosse Road Health Centre and (iii) probably Belgrave. There are discussions underway with regard to which ones will be the most appropriate. There are funding issues regarding this as NHS England are going to fund £6 per patient. The details of the funding are not clarified yet and this will be available in the near future.
6. Federation Update – BVM updated that there are going to be discussions in September with all the GPs and staff involved. Our local Federation which is based in our Health Need Neighbourhoods (HNN) group has decided to form one Federation throughout the City. There CCG has also asked for one Federation. Formal discussions will happen in the next few months and discussions will be held in the September meeting.
7. JW informed the group that there are online services discussed at central patients' forum. These included that notes will be shared between healthcare professionals.
