

Dr B V Modi
Canon Street Medical Centre
122 Canon Street, Leicester, LE4 6NL

Minutes from Patient Participation Group Meeting
held on Thursday 30th May 2019

Present: F Cox (Midwife Matron), Fiona Ford (Lead Midwife), Dr B Modi (BVM), Mrs M Modi (MM)

1. Apologies were received from Dr Morjaria from neighbouring practice who was invited but could not attend.
2. Discussion was had between 4 people as to why this has happened. No consultation processes undertaken which was acknowledged by both FC and FF. We were advised that this is not normally a consultation process and that they have done this in several areas of the City and moved into their local SureStart centres. Examples were given for areas such as New Parks and other areas. FF was of the opinion that this is normal procedure to undertake this without consultation process.
3. MM asked if they could provide services within the practice. As historically this has been on a Wednesday morning for more than 27 years, we are unable to offer any afternoon clinics as the room is used by a Practice Nurse. Alternatives were suggested such as whole Thursdays and whole Fridays.

Actions

- i. the services will remain on Wednesday morning until further notice;
- ii. discussions were had for moving Dr Morjaria's patients to our practice if that is what they want;
- iii. options of Thursdays and Fridays were given, FC and FF will come back to us with regard to these;
- iv. FC would produce documentation as to the role and procedures required for moving of midwifery services outside the practices.

Approved by Mrs J Walker (Chair)
